

HILLYFIELD REST HOME NEWSLETTER

Hello!

We celebrated a huge birthday this month. Anne turned 106 in August!

Anne joined other residents in the lounge and enjoyed some musical entertainment, she had a lovely Cake and requested a glass of wine to celebrate the occasion.

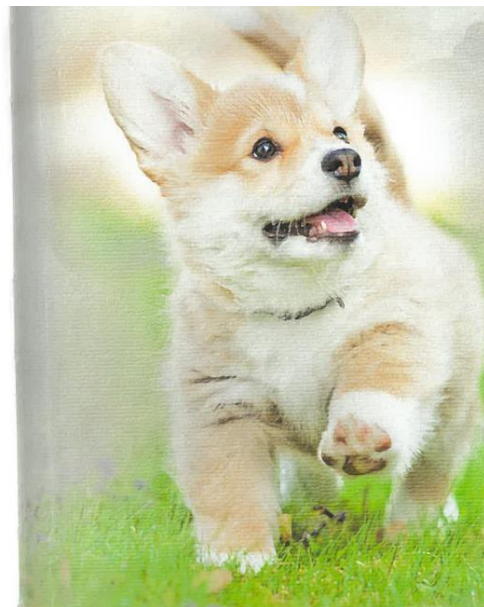

After this Anne read all the residents a couple of lovely poems from her own published book. She told many stories about her time as a nurse, in the carpet shop and about the time she spent in New Zealand.

Anne wrote the poem below about her first pet dog Candy

CANDY

A corgi called Candy was our very first pet
He was so tiny, so wise, and so alert
He came to us a few weeks old
With little white socks, and a coat of honey gold
He ran in the garden and chased the bees
Then buried all sort of things under the trees
A new yellow lead and collar had gone
We never did find them many years on
He had a little diamond of white on his head
Which seemed to suggest, that he was very well bred
Being the seventh and the last to be born
By the time he arrived the tails had all gone
He had a sweet nature, we did love him so
He was our fellow traveller where e'er we did go
Each day he was ready to jump in the car
To journey with us be it near or far
With patience he waited and watched every move
he was loyal and ever so easy to love
Then came the day when we had to part
Such a thought really tore at the strings of our heart
He kept his quiet dignity right to the end,
we lost a very devoted companion and friend

We also had our summer BBQ, the weather just about held out for us! We grabbed out blankets and made the most of our BBQ food and entertainment.

The BBQ was cooked by Nellie and went down a treat by all.

Jen came and entertained us all for an hour where we enjoyed listening to all the music she had to offer.

Currently we have a score of 9.9 on Carehomes.co.uk
