

HILLYFIELD REST HOME NEWSLETTER

Hello!

We've had a busy month here at Hillyfield.

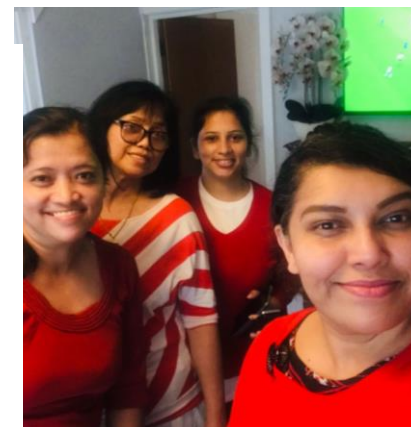

Firstly, I would like to thank everyone who attended our bake sale and brought a cake. The money raised has gone towards a fantastic local charity, The New Forest Basics Bank which helps local people and families in need. We plan to attend the food bank in Lymington to see how it all works and the deliver all the money that we have raised.

We raised a massive **£279.90**

Last month we also watched the football which we usually don't this was a special occasion as we made it to the Euros final! We all wore red to celebrate, we wave our England flags and cheered the team on

We have had some awful weather, but we also had some beautiful days. We made the most of these and had a lovely bus trip to godalls and picked so many strawberries p.s. we ate a few too

During this lovely weather we had our first entertainer of the year outside! Tony put on a wonderful performance.

Of course, we had our monthly fruit tasting with Nellie! This month we enjoyed Papaya

We're all looking forward to our annual BBQ! We hope you will join us on the 10th of August, please RSVP so we can ensure there is plenty to go around.
