

HILLYFIELD REST HOME NEWSLETTER

Hello!

We have some exciting news here at hillyfield, we will be extending our premises in order to include another bedroom!

This will be a double suite upstairs including its own wet room and living area. This room will work perfectly for a couple who want to remain together but want the social environment of living within a residential home.

The work is expected to start in the middle of October and should be finished within a few weeks. We aim to have minimal disturbance to any of our residents during this time!

We have had a busy month, we celebrated two birthdays with our residents. They both received a bounty of cards and flowers. This left a beautiful smell around the home of freshly cut flowers!

Hillyfield Rest Home

September has been a very wet month and has meant that we've been limited on trips we can take and places that we can visit. This has not stopped us from enjoying ourselves and making the most of the days!

We have had lots of entertainers to visit which have included, country music with Debbie, Musical sing along with Tony, Magic with Mervin and so much more.
